

# APOSTOLIC CHRISTIAN CHURCH BIBLE LESSON TEACHER OUTLINE

First Quarter, 2006

**THEME:** LIFE AND WRITINGS OF PAUL

**INTRODUCTION:** This is the last year of the seven-year Bible Class lesson cycle. The first quarter is a continuation of the study of the life and writings of Paul that began in the quarter just completed. The last quarter ended with Paul's call to the Ephesian Elders to come together and his farewell messages to them. We finish up two lessons from last quarter and then begin this quarter with two lessons on the Epistle of the Ephesians.

We will study about Paul's imprisonment and his appearances before Felix, Festus and Agrippa before being sent to Rome and then about his journey to Rome.

This portion of study ends (first lesson of next quarter) with his second letter to Timothy with his testimony of a triumphant ministry and his assurance that the end was near for him and that a crown awaited.
