

# APOSTOLIC CHRISTIAN CHURCH BIBLE LESSON TEACHER OUTLINE

Fourth Quarter, 2007

**THEME:** CHRIST - KING AND SAVIOR

**INTRODUCTION:** The fourth quarter of 2007 is the first of two successive quarters based on a study of the life of Christ as King and Savior. It is a study of His early life and the first and second year of His ministry.

It is of utmost importance that we understand the nature of Christ's birth if we are to believe in His witness and testimony to men. The entire foundation of our faith is built on our belief that He is the Son of God and that He came to this earth in the form of flesh, being born of a virgin.

Believing this, we thus find it so easy to believe in Christ's ministry of healing and atonement and the work of the Holy Spirit in our lives.
